

HI Trees | Creating a Green Canopy in Histon and Impington

We want your suggestions for places to plant trees in Histon and Impington and the surrounding area. Once we've got the results in, we'll set out a plan for planting in as many locations as practical, subject to suitability and permission from the landowner.

Please fill in the form below. You're welcome to fill in as many or as few boxes as you want to. Please return the form to the Parish Office, New Road, Impington CB24 9LU or scan and email to info@hitrees.org.uk

An online version of this form can be found here: <http://bit.ly/2QVR610>

Name and contact details

Provide any details you are comfortable with. Contact details won't be shared but will be stored in our database. If you would like further updates on the HI Trees Green Canopy initiative please opt in by providing a name and email address.

Describe the location where trees could be planted

Use any method you like – OS co-ordinates, GPS co-ordinates, what3words.com or just your own words! Please note you can also include suggestions for hedges too.

How many trees could be planted here?

It could be any number from one to hundreds. And you can include suggestions for hedges too.

Are there any restrictions?

Is the location near a road or building?

Do you know who the landowner is, and if so, can you provide contact details? Or are you a neighbour or have an interest in the site?

Do you have a story to tell about your suggestion?

Why have you suggested this location?

And finally, are you willing to help with the planting and on-going maintenance?
